Purpose of Effort in 2021

The overall purpose of our work in this phase, so that we can contribute our collective voice and influence in service of making oral health more affordable and accessible to all, is:

- to continue monitoring the impacts of COVID-19 on safety, infection control, and access, and to discuss action steps as necessary; and
- to broaden our focus and identify ways to have a collective impact on the prioritized advocacy strategies selected by the group.

Purpose of the Working Teams

Purpose of the Working Teams

The purpose of the Working Teams is to:

- understand the eco-system of the particular advocacy strategy so that the PRW can contribute to and amplify the work underway,
- bring an equity lens and root cause analysis to our understanding of the advocacy strategy, and
- consider the strategy in the context of COVID-19 and the permanent changes likely to result from the pandemic.

By the end of this meeting, we will have:
