

**Oral Health System: Pandemic Response**  
**Virtual Meeting VII**  
**September 9, 2020**  
**4:00-5:30pm EDT**

***Purpose of the Effort***

To gather key oral health system stakeholders to deepen relationships, build alignment, and develop priorities that will guide our individual, organizational, and collaborative action in creating economic and point of access stability in the oral health care system; and to begin to envision what the post-pandemic oral health care system will look like.

***Purpose of the Meeting***

To understand the most recent data on safety and infection control in communities and schools, and to build alignment on the purpose and focus of this group moving forward.

***Desired Outcomes***

*By the end of this meeting, we will have:*

- An update on OSAP's school-based safety guidelines and on their listening sessions re: infection control
- An opportunity to dive in on relevant topics and issues to discern the purpose and focus of the group going forward
- An agreement on next steps
