

Oral Health System: Pandemic Response Workgroup

Virtual Meeting XXVII

June 15, 2022

Meeting Time: 4:00-5:00pm EDT

Purpose of the Effort

Our overall purpose is to contribute our collective voice and influence toward making oral health more affordable and accessible to all. In 2022, we will:

1. Continue to monitor and respond, as appropriate, to the impacts of COVID-19 in the oral health field (integral to workforce)
2. Leverage the Oral Health in America: Advances & Challenges report to raise the importance of oral health to overall health among key stakeholders
3. Discuss oral health inequities and explore how to work together to achieve/advance health equity
4. Promote multi-directional integration of oral health and overall health.

Purpose of the Meeting

To discuss our next collective action opportunity, understand current policies, its impact on oral health, and upcoming issues, and strengthen relationships.

Desired Outcomes

By the end of this meeting, we will have:

- An update on the latest policies impacting oral health
- An opportunity to discuss a follow up meeting with the Assistant Secretary of Health and develop that agenda
- An awareness of the immediate opportunities for the PRW to respond to and amplify, in our focus areas
